BURLINGAME PARKS FOREVER

Support the Burlingame Parks Forever Foundation today!

Why Donate?

Our parks and recreation facilities play an integral role within our community here in Burlingame. We can take an art class at our amazing community center, watch our children enjoy soccer at Ray Park, or gather with friends for a picnic in our beautiful Washington Park. Yet access to these wonderful facilities is still a challenge for many in our community. In this season of giving, please consider supporting our Burlingame Parks Forever Foundation and help broaden access for families, seniors, and youth, across our community.

Who We Are. What We Do.

The Burlingame Parks Forever Foundation bolsters city funding. We help support the Burlingame Youth Scholarship Fund, which is administered by the Burlingame Parks and Recreation Department and offers scholarships for youth programs. The Foundation also helps to fund improvement projects at our city parks, including chess tables, water refill stations, park benches, and court lighting.

Your donation will make a difference!
